Dare To Dream

Sometimes it means say no to

- going home a weekend
- partying out with friends tonight
- To copying that assignment

And saying no is scary and takes effort

Sometimes it means say yes to

- Spending that extra hour in the library
- Travelling across the country on your own
- Writing a paper on your own

And saying yes is scary and takes a lot of effort too

But most
importantly...

It's daring YOU

- Dreaming about a life that is out of reach
- Breaking stereotypes, norms & glass ceilings

And most importantly, saying you can everytime you doubt yourself.
